THE FRENCH

FASHION & MORE

THE FRENCH Magazine was established in 2022 as a full-service creative magazine within the fashion industry. We cover three key sections, Fashion & Beauty, Design & Living, and Art & Photography for the fashion-conscious people. THE FRENCH Magazine is built on the belief that fashion should be shot beautifully and supplemented with exclusive interviews, groundbreaking editorial features, and powerful journalism.

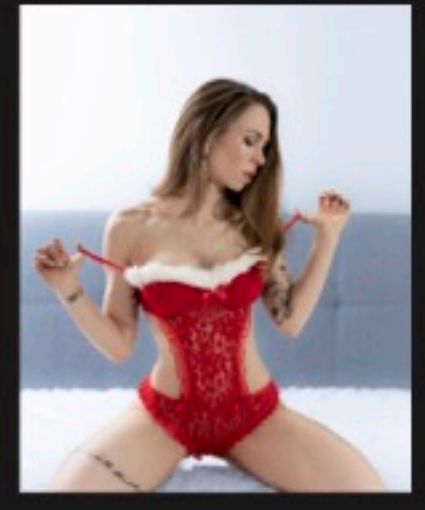

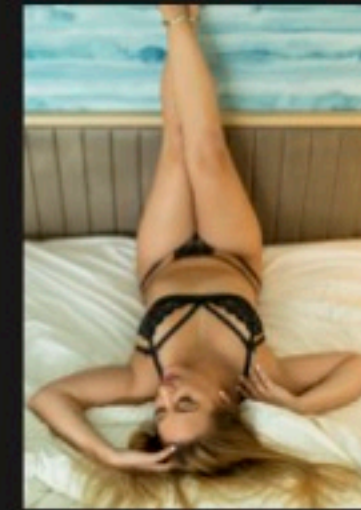

Our magazine is a place for all creatives to express their creativity, thoughts, and ideas.

Photographers, designers, models, and creatives from different parts of the world, help to bring out the new issue every month. THE FRENCH magazine attracts passionate readers from different parts of the globe and is highly regarded for its editorial quality and features.

The vision for THE FRENCH is to create a platform that effortlessly expresses fashion.
